

Manuela Ellis

My name is Madeleine Ellis, it is an honour to be hosting this year's NS Business Hall of Fame.

I am a grade 11 French immersion student at Bay View High School, and this will be my second year participating in the Junior Achievement Company Program.

Through this outstanding program, that is now a part of who I am, I have learnt numerous lifelong skills to becoming a successful part of the business community. As well as making lifelong friendships, I have learned new skills and been given opportunities to experience things that could only be had through this program.

During my first year with Junior Achievement Nova Scotia, I had the opportunity to be VP of Sales as well as VP of Marketing. Through my participation and dedication to Junior Achievement, I received the Achiever of The Year Award at the conclusion of Company Program last year.

When I first joined Junior Achievement, I knew that some part of me wanted to become an entrepreneur and through Company Program that goal has been solidified for me.

It's an honour to be welcoming this year's laureates at the Induction Gala.

Thank you
Madeleine
